

# Report of the auditor-general to Western Cape Provincial Parliament and Council on Langeberg Municipality

## Report on the audit of the financial statements

### Opinion

1. I have audited the financial statements of the Langeberg Municipality set out on pages 8 to 127, which comprise the statement of financial position as at 30 June 2018, the statement of financial performance, statement of changes in net assets and cash flow statement and the statement of comparison of budget information with actual information for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Langeberg Municipality as at 30 June 2018, and its financial performance and cash flows for the year then ended in accordance with the South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2016 (Act No. 3 of 2016) (Dora).

### Context for the opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the financial statements section of this auditor's report.
4. I am independent of the municipality in accordance with the International Ethics Standards Board for Accountants' *Code of ethics for professional accountants* (IESBA code) and the ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA code.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### Emphasis of matters

6. I draw attention to the matter below. My opinion is not modified in respect of these matters.

### Restatement of corresponding figures

7. As disclosed in notes 41 and 42 to the financial statements, the corresponding figures for 30 June 2018 have been restated as a result of mSCOA reclassifications and errors respectively, discovered during the 2017-18 financial year in the financial statements of Langeberg Municipality at, and for the period ended 30 June 2017.

### **Material losses/impairments – trade debtors**

8. As disclosed in note 32 to the financial statements, material losses to the amount of R8 million (2016-17: R22 million) were incurred as a result of a write-off of impairment of trade debtors.

### **Other matters**

9. I draw attention to the matters below. My opinion is not modified in respect of these matters.

### **Unaudited disclosure notes**

10. In terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA. This disclosure requirement did not form part of the audit of the financial statements and accordingly, I do not express an opinion on note 49.8 to the financial statements.

### **Unaudited supplementary**

11. The supplementary information set out on pages 128 to 137 does not form part of the financial statements and is presented as additional information. I have not audited these schedules and accordingly I do not express an opinion thereon.

### **Responsibilities of accounting officer for the financial statements**

12. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with the SA standards of GRAP and the requirements of the MFMA and Dora and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
13. In preparing the financial statements, the accounting officer is responsible for assessing the Langeberg Municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern basis of accounting unless the accounting officer either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

### **Auditor-general's responsibilities for the audit of the financial statements**

14. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
15. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

## Introduction and scope

16. In accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA) and the general notice issued in terms thereof, I have a responsibility to report material findings on the reported performance information against predetermined objectives for selected objectives presented in the annual performance report. I performed procedures to identify findings but not to gather evidence to express assurance.
17. My procedures address the reported performance information, which must be based on the approved performance planning documents of the municipality. I have not evaluated the completeness and appropriateness of the performance indicators/measures included in the planning documents. My procedures also did not extend to any disclosures or assertions relating to planned performance strategies and information in respect of future periods that may be included as part of the reported performance information. Accordingly, my findings do not extend to these matters.
18. I evaluated the usefulness and reliability of the reported performance information in accordance with the criteria developed from the performance management and reporting framework, as defined in the general notice, for the following selected objectives presented in the annual performance report of the municipality for the year ended 30 June 2018:

Objectives	Pages in the annual performance report
Strategic objective 4 – A responsive and accountable administration	78 – 82
Strategic objective 5 – Adherence to all laws and regulations applicable to local government	83 – 84

19. I performed procedures to determine whether the reported performance information was properly presented and whether performance was consistent with the approved performance planning documents. I performed further procedures to determine whether the indicators and related targets were measurable and relevant, and assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.
20. I did not raise any material findings on the usefulness and reliability of the reported performance information for these strategic objectives:
- Strategic objective 4: A responsible and accountable administration
  - Strategic objective 5 – Adherence to all laws and regulations applicable to local government

## **Other matters**

21. I draw attention to the matters below.

### **Achievement of planned targets**

22. Refer to the annual performance report on pages 70 to 84 for information on the achievement of planned targets for the year and explanations provided for the under/overachievement of a number of targets.

### **Adjustment of material misstatements**

23. I identified material misstatements in the annual performance report submitted for auditing. These material misstatements were in the reported performance information of strategic objective 4: A responsive and accountable administration. As management subsequently corrected the misstatements, I did not raise any material findings on the usefulness and reliability of the reported performance information.

## **Report on the audit of compliance with legislation**

### **Introduction and scope**

24. In accordance with the PAA and the general notice issued in terms thereof, I have a responsibility to report material findings on the compliance of the municipality with specific matters in key legislation. I performed procedures to identify findings but not to gather evidence to express assurance.

25. The material findings on compliance with specific matters in key legislations are as follows:

### **Financial statements, performance and annual reports**

26. The annual financial statements were not submitted to the auditor-general for auditing within two months after the end of the financial year, as required by section 126(1)(a) of the MFMA.

### **Procurement and contract management**

27. Bid specifications for some of the tenders were drafted in a biased manner and did not allow all potential suppliers to offer their goods or services, in contravention of supply chain management (SCM) regulation 27(2)(a).

## **Other information**

28. The accounting officer is responsible for the other information. The other information comprises the information included in the annual report, which includes the audit committee's report. The other information does not include the financial statements, the auditor's report and those selected objectives presented in the annual performance report that have been specifically reported in this auditor's report.

29. My opinion on the financial statements and findings on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion thereon.

30. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the selected objectives presented in the annual performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.
31. If, based on the work I have performed on the other information that I obtained prior to the date of this auditor's report, I conclude that there is a material misstatement in this other information, I am required to report that fact.

### Internal control deficiencies

32. I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance on it. The matters reported below are limited to the significant internal control deficiencies that resulted in the findings on compliance with legislation included in this report.

### Oversight responsibility

33. The corrective measures implemented by management to address the shortcomings of the financial system in producing mSCOA-compliant annual financial statements were not sufficient and timeous to prevent late submission of the financial statements.

### Compliance monitoring

The cost-effectiveness and practicability were considered by the municipality as determining factors in awarding the contracts; therefore, the specifications drafted were biased towards suppliers situated in close proximity to the municipality.

### Other reports

34. I draw attention to the following engagements conducted by various parties that had, or could have, an impact on the matters reported in the municipality's financial statements, reported performance information, compliance with applicable legislation and other related matters. These reports did not form part of my opinion on the financial statements or my findings on the reported performance information or compliance with legislation.

35. The Hawks are conducting an investigation into allegations of fraud and corruption by municipal staff.

Auditor-General

Cape Town

29 January 2019

AUDITOR-GENERAL  
SOUTH AFRICA

*Auditing to build public confidence*

## **Annexure – Auditor-general’s responsibility for the audit**

1. As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements and the procedures performed on reported performance information for selected objectives and on the municipality’s compliance with respect to the selected subject matters.

### **Financial statements**

2. In addition to my responsibility for the audit of the financial statements as described in this auditor’s report, I also:
  - identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
  - obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality’s internal control
  - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer
  - conclude on the appropriateness of the accounting officer’s use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Langeberg Municipality’s ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor’s report. However, future events or conditions may cause a municipality to cease operating as a going concern
  - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

### **Communication with those charged with governance**

3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
4. I also confirm to the accounting officer that I have complied with relevant ethical requirements regarding independence, and communicate all relationships and other matters that may reasonably be thought to have a bearing on my independence and, where applicable, related safeguards.
